

Team-Building Workshops with Horses!

Give your team, club or family a unique and playful opportunity:

- * Think creatively
- * Give & take direction
- * Manage time & stress
- * Build trust with clients/
patients / co-workers /siblings,
etc.

All HorsePlay activities take place on-the-ground. No riding or horse experience needed!

Why Horses?

Horses respond to our body language and energy levels.

Their reactions are immediate and 100% honest.

They're great learning partners because they tell it like it is!

THE BENEFITS ?

Increase self / team / group / organizational awareness

Identify strengths and coordinate accountability

Develop new problem-solving strategies

Explore member / customer / client relations in a playful way
